

# PR 4H Hinge

## Polished Chrome Finish

### ITEM SCHEMATIC

### ITEM DESCRIPTION

**PR 4H HINGE:** Designed especially to fit glazed or panel-type doors on cabinets, or any reach-in type door, such as on back bars. This Premco hinge offers the butt and hinge blade in a pressure-cast zinc alloy; polished chrome finish. Quiet swing stainless steel pin will offer lasting quality and performance. These hinges are for use on either right or left doors. Premco hinges stand up under constant usage and all conditions.
